GREEK THEATRE TO PRESENT STUDENT PRINCE

The vogue for good musical entertainment is never ending and so "The Student Prince" should enjoy its two week engagement at the outdoor Greek Theatre beginning August 30. Performances will be given every night except Sundays, with Jane Powell in the leading feminine role.

Dressed, directed, and staged anew, "The Student Prince," which has proved itself to be one of the finest light operas to be presented throughout the world, is a fitting choice to close the summer musical series at the Greek Theatre. The story is the romantic tale of a Prince who falls in love with a little waitress at Heidelberg's famous Inn of the Three Golden Apples, and his decision when the inevitable call comes for him to choose between his love and the royal princess. Indeed, the plot of the operetta is of such calibre that it scored repeated triumphs as a play many years before it was set to music.

The well-loved "Deep In My Heart, Dear," "Golden Days," "Serenade," "Just We Two," "Student Life," and "Drinking Song," are some of the outstanding song hits in the melodious Sigmund Romberg score. Gene Mann, managing director, has selected an exceptionally splendid cast to appear in the "Prince." In addition to Miss Powell, M. G. M. singing star, top roles will be handled by Felix Knight, famous opera tenor, and the often seen screen player, Alan Mowbray.
